

## RE: School Locker Hire 2015

Lockers are now available for hire by all students years 7 - 11 at an annual cost of \$40.

We have noted that according to recent publications the recommended weight of a school bag should be no more than 10% of a child's body weight. Additionally, with our students using laptops and personal devices, the lockers will offer a place to store them in a safe, secure location out of the weather.

These lockers will assist the school in meeting their duty of care regarding the health and wellbeing of the students and provide an ongoing source of revenue for the P&C. Whilst there is a hire cost, all money raised (once the lockers have been paid for) will go back to the school through the P&C and therefore directly benefit our students.

We are very proud to acknowledge our students as responsible and respectful members of our community, however, it should be noted that should your child lose or break or damage their padlock, they will be responsible for replacement costs of \$20.

Each student is reminded that they are responsible to maintain their locker and it will be expected that they will clear it out at the end of each year. Padlocks will be handed in and lockers will be inspected. It is important for students, parents and carers to note that charges will be imposed for lockers that are found to be damaged, dirty or in need of replacement.

Thank you for your support if this initiative and ultimately, through hiring the lockers, your support of our school.

Jindabyne Central School P&C Association.
